

Who are we?

Cruisin Cajun Country is a non-profit organization that promotes the preservation of Classic, Muscle, Antique and modern Sports Vehicles.

Where are we?

We are located in New Iberia, Louisiana and have an open membership.

What do we do?

Cruisin Cajun Country holds an annual 3 day cruise-in event in May. Supported by Iberia, St. Martin, Vermilion, St. Mary and Lafayette Parishes, we cruise and visit tourist attractions in these parishes. The local economies are financially impacted by our cruisers.

Charities we support:

Habitat for Humanity, Fisher House: Helping Military Families, National Ataxia Foundation, Suicide Prevention and Iberia Pregnancy Center.

Sponsors

The generosity of our sponsors allows Cruisin Cajun Country to promote local tourism. Our registered participants are entertained by some of the finest local talent and fed some of the best Cajun food, thanks to the many sponsors.
